

## **2 and 3 Bar Foundation Chairs**

Bar Foundation Chairs are widely used to support rebar when pouring footers. They are simple to use, inexpensive, and convenient. As you see below, we have a 2-Bar and a 3-Bar manufacture from 12-gauge wire at 100 per box.

**2-BAR                      40 boxes / skid**

**3-BAR                      32 boxes / skid**
